DESIGN + PERFORMANCE™

The image shows two pillows on a wooden surface. The pillow on the left is light blue with a subtle, embossed geometric pattern and a teal-colored piping along its edges. The pillow on the right is light green with a vertical ribbed texture and a teal-colored piping along its edges. In the background, a dark grey metal tray with a circular hole is visible. The text '4 CONCEPTS' is overlaid in large white letters, and 'Looking for new experiences and emotions' is overlaid in smaller white letters below it.

DYEING

YARN DYED

White yarn is dyed after spinning
and before weaving

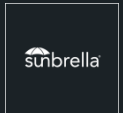

PIECE DYED

Fabric is dyed after
weaving

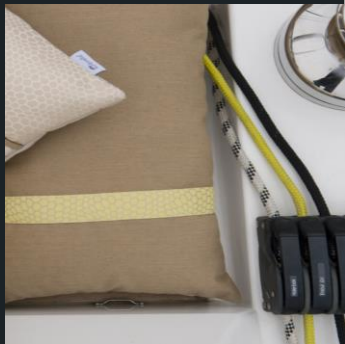

Color pigments are locked right
into the very heart of the fibers
during the initial stage of the
manufacturing process, before the
yarn is even spun

Sunbrella® colours stand up to
years of sun and light exposure
